## PERSONAL PROJECTS

**BUDDY-AI-VIRTUAL-ASSISTANT (01/2021)**

- BUDDY is a personal assistant which you can use to complete your tasks with your voice command.

**S-CAM-SECURITY-CAMERA- (02/2021)**

- The S-CAM motion detection surveillance system is a Home / Office based security system which is of great use when security is a matter of concern. The Motion Detector patches up for the need of a cheap and small security system in day-to-day life, it can also be helpful in the exams of the student by keeping an close eyes on them.

**HOTEL GRAND (WEBSITE) (07/2021)**

- DYNAMIC WEBSITE USING PHP
